

INCOME DISCLOSURE

IDEAL GLOBAL, LLC – UNITED STATES

Important Disclosure

Ideal Global, LLC does not guarantee income, earnings, or financial results of any kind. Participation as an Independent Distributor does not constitute an employment opportunity nor does it imply guaranteed income.

Variable Results

Financial results, if any, depend on multiple factors, including but not limited to individual effort, skills, dedication, time invested, market conditions, and compliance with Company policies.

Non-Typical Results

The majority of Independent Distributors in direct selling companies earn modest income or no income. No assumption should be made that participation in Ideal Global, LLC will result in significant financial benefit.

Sales-Based Compensation

There is no compensation for the mere act of recruiting or sponsoring individuals. All compensation is based exclusively on real product sales in accordance with the current Compensation Plan.

Examples and Testimonials

Any examples, testimonials, or references to past or potential income are illustrative only and do not represent typical results.

Individual Responsibility

Each Independent Distributor is responsible for their own expenses, tax obligations, and compliance with applicable laws. Ideal Global, LLC assumes no responsibility for individual financial outcomes.

Historical Data

As Ideal Global, LLC is in its launch phase, the Company currently does not have sufficient historical data to provide reliable income statistics. An updated income disclosure will be published once verifiable data becomes available.

Contractual Integration

This Income Disclosure forms an integral part of the Independent Distributor Agreement, the Policies and Procedures, and the Terms of Use of Ideal Global, LLC.
